

Apprenticeship Levy Transfer Service

Ensuring every
penny of your levy
makes a
difference

Transfer Your Excess Levy

Since 2017, the levy has directly supported nearly 375,000 people apprenticeship training.

If you have excess funds in your levy, don't let it go to waste. Make the most of it by helping to provide opportunities to develop new skills and experience.

“In 2019 employers spent just **£864m** of their combined **£3bn** levy pot - an almost **£2bn** differential in one year alone”

FE News

Who can I
transfer
my levy
to??

Your supply chain

Local businesses

Support a specific sector

Your customers

Regional Partners

Charities and not-for-profits

Why Transfer your Levy?

Boost your organisations reputation

Free Matching Service

At **Employing An Apprentice**, we want to make it as simple as possible for you to find other businesses to provide apprenticeship funding support to, and help facilitate the transfer of your funds with ease nationwide.

We provide a **free** matching service to help you find and link with the right employer for you.

Its Simple...

1

Submit your details and outline your criteria for receiving employers

2

Other employers can view your criteria and apply for funding via our business directory

3

Receive applications and connect with your chosen employer to agree funding

4

The transfer of funds is confirmed via the apprenticeships website
